EPCH Seminar on "DGFT Related Subjects on Exim Policy Support for Handicraft Sector - Kolkata, 4th April, 2014 (Friday)

Dear Sir / Madam,

India's Foreign Trade Policy (FTP) takes an integrated view of the overall development of India's foreign trade. The government relates a mix of procedural measures and incentives to trade with non- traditional destinations to strengthen export order other than traditional markets. New emerging markets have been given a special focus to enable exports to be competitive. Incentive schemes are being rationalized to identify leading products which would catalyze the next phase of export growth.

Realizing the importance of the subject, the Council is organizing a very special interactive Seminar on **"DGFT Related Subjects on Exim Policy Support for Handicraft Sector - I.E.
