

SUB:- “PROTOCOL FOR PARTICIPATION IN THE EXHIBITION”

Dear Exhibitor(s),

Greetings & Congratulations for the IHGF Delhi Fair Virtual 2020.

“PROTOCOL FOR PARTICIPATION IN THE EXHIBITION”

We would like to remind you about the protocol for participation in the exhibition. The exhibitors shall not visit the booth of other exhibitors unless invited. Similarly, it would be highly objectionable, if any exhibitor downloads the catalogue of the other exhibitors. This may attract disabling their ID for entry in the exhibition (platform) and also further action to the satisfaction of the complaining exhibitor against the errant. Many of products are also registered under Design Register of EPCH. Team EPCH is monitoring the movement of the visitors/exhibitors on real time basis.

In case you experienced the issue in this regard please do inform us with name, time and details of the event occur with you at trade@epch.com and policy@epch.com.

Thanks and Regards,

[Rakesh Kumar]
Director General
