Subject- Format for reporting on shipment and issues related to handicrafts sector

Dear Sir,

In our endeavour to raise various issues affecting the exports of handicrafts, the council would like to seek the information as per the attached format. The information sought include name of commodity exported, name of country to which commodity is exported, schedule date of export, whether shipment can be preponed to the current month and issues faced by the exporters.

The information is sought so as to ascertain the problem faced by exporters and also whether the shipment can be advanced or not and what measures can be undertaken by the council to facilitate the same.

We look forward to your kind co-operation in the matter.

Thanks and Regards

(Rajesh Rawat)
Joint Director
