SUBJECT: SEMINAR ON "Understanding the Procedures of Custom Clearance of Export & Import cargo, Wild Life Pre-shipment Inspection and Drawback Claims" on 18.01.2014 (SATURDAY) at Kolkata.

Dear Sir/Madam,

Custom clearance is a complex and time taking procedure that every exporter faces in his export business. Physical control is still the basis of custom clearance in India where each consignment is manually examined in order to impose various types of export duties. High import tariffs and multiplicity of exemptions and export promotion schemes also contribute in complicating the documentation and procedures. So, a proper knowledge of the custom rules and regulation becomes important for the exporter.

Realizing the importance of the subject, the Council is organizing a Seminar on "Understanding the Procedures of Custom Clearance of Export & Import cargo, Wild Life Pre-shipment Inspection and Drawback Claims" at Kolkata on 18.01.2014 (Saturday).
